Standard Terms Of Purchase

1. Definitions

For the purpose of these Terms and Conditions:

Agreement means the Order and the Supplier's acceptance of the Order;

Goods means any goods and/or services agreed in the Agreement to be purchased by the Purchaser from the Supplier (including any part or parts of them);

Order means the Purchaser's written instruction for the Supplier to supply the Goods, incorporating these Terms and Conditions;

Delivery Address means the address the supplier should deliver the Goods to.

Delivery Date means the date the Purchaser requires delivery of the Goods.

Purchaser means New Way International and registered in England and Wales with company number: 04820501 whose registered office is Britannia House, Pier Road, Feltham, Middlesex, TW14 0TW;

Supplier means the person, firm or company who accepts the Order.

2. Supplier's Conditions

2.1 The Order, including these Terms and Conditions contains the entire agreement and understanding between the Supplier and the Purchaser and supersedes all prior discussions and negotiations between them. No terms or conditions endorsed upon, delivered with or otherwise contained or stated in the Supplier's quotation, or in the Supplier's acknowledgement or acceptance of the Order shall be binding on the Purchaser if in conflict with or in addition to any of the provisions of the Order (including but not limited to delivery schedule, price, quantity, specification and terms and conditions) unless expressly agreed to in writing by the Purchaser.

2.2 Acceptance of an Order by the Supplier shall take place when it is expressly accepted by the Supplier; or by any other conduct of the Supplier which the Purchaser reasonably considers is consistent with acceptance of the Order.

2.3 An Order may be withdrawn or amended by the Purchaser at any time before acceptance by the Supplier.

3. Deliveries

3.1 The Purchaser's production schedules are based upon the Supplier's commitment that the Goods will be delivered to the Purchaser by the date specified on the Order, or, if a date is not specified, within 5 days of the date of the Order. Time of delivery is therefore the essence of the Order. If the Supplier fails to make delivery of the Goods at the time agreed upon, the Purchaser reserves the right to cancel, purchase elsewhere and hold the Supplier accountable for any additional costs or damages incurred by the Purchaser.

3.2 The Supplier shall be solely responsible for and pay, all costs of delivering the Goods to the Delivery Address. Including, without limitation, all shipping and freight costs and all duties, fees, tariffs or similar taxes on imports/exports of the Goods (Custom Duties).

3.3 The Goods shall be delivered, carriage paid by the Supplier, to the Purchaser's place of business or to such other place of delivery as is agreed by the Purchaser in writing prior to delivery of the Goods. The Supplier shall off-load the Goods at its own risk as directed by the Purchaser.

3.4 The Supplier shall ensure that each delivery is accompanied by a delivery note which shows, inter alia, the Order number, date of Order, number of packages and contents and, in the case of part delivery, the outstanding balance remaining to be delivered.

3.5 Unless otherwise stipulated by the Purchaser in the Order, deliveries shall only be accepted by the Purchaser in normal business hours. If the Goods are not delivered on the due date then, without prejudice to any other rights which it may have, the Purchaser reserves the right to:

(a) cancel the Agreement in whole or in part

(b) refuse to accept any subsequent delivery of the Goods which the Supplier attempts to make

(c) recover from the Supplier any expenditure reasonably incurred by the Purchaser in obtaining the Goods in substitution from another supplier

(d) claim damages for any additional costs, loss or expenses incurred by the Purchaser which are in any way attributable to the Supplier's failure to deliver the Goods on the due date.

3.6 Where the Purchaser agrees in writing to accept delivery by instalments the Agreement shall be construed as a single contract in respect of each instalment. Failure by the Supplier to deliver any one instalment shall entitle the Purchaser at its option to treat the whole Agreement as repudiated.

3.7 The Purchaser shall not be deemed to have accepted the Goods until it has had 30 days to inspect them following delivery. The Purchaser shall also have the right to reject the Goods as though they had not been accepted for 30 days after any latent defect in the Goods has become apparent.

3.8 The Goods shall remain at the risk of the Supplier until delivery to the Purchaser is complete (including off-loading and stacking) at which time the ownership of the Goods shall pass to the Purchaser.

4. Prices

The price of the Goods shall be stated in the Order and unless otherwise agreed in writing by the Purchaser shall be exclusive of value added tax but inclusive of all other charges. No variation in the price nor extra charges shall be accepted by the Purchaser.

5. Payment

5.1 The Purchaser shall pay the price of the Goods that are delivered and accepted pursuant to these Terms and Conditions within 30 days from the end of the month of the date of valid invoice; as received from the Supplier but time for payment shall not be of the essence of the Agreement.

5.2 Without prejudice to any other right or remedy, the Purchaser reserves the right to set off any amount owing at any time from the Supplier to the Purchaser against any amount payable by the Purchaser to the Supplier under the Agreement.

6. Quantities

Delivery of the Goods must equal exact amounts ordered unless otherwise agreed by the Purchaser. If the Goods are delivered to the Purchaser in excess of the quantities ordered the Purchaser shall not be bound to pay for the excess and any excess shall be and shall remain at the Supplier's risk and shall be returnable at the Supplier's expense.

7. Warranty

7.1 The Supplier warrants that all Goods delivered hereunder shall be free from defect of materials or workmanship and shall conform strictly to the specifications, drawings or sample specified or furnished. This warranty shall survive any inspection, delivery, acceptance of, or payment by the Purchaser for the Goods.

7.2 Unless a longer period is provided by applicable law, or otherwise specified by the Parties; all Goods shall have a Warranty period of (1) year from the date of delivery from the Supplier.

8. Quality and Defects

8.1 The Goods shall be of the best available design, of the best quality, material and workmanship, be without fault and conform in all respects with the Order and specification and/or patterns supplied or advised by the Purchaser to the Supplier.

8.2 The Purchaser's rights under these Terms and Conditions are in addition to the statutory conditions implied in favour of the Purchaser by the Sale of Goods Act 1979.

The Supplier shall furnish without additional charge, all reasonable facilities and assistance for the safe and convenient inspections and tests required by the inspectors. Final inspection and acceptance shall be at the Purchaser's premises unless otherwise specified.

10.2 The Purchaser shall have the right to reject and return at the Supplier's expense or in its discretion, to require the correction or replacement of Goods which are defective or do not conform to the requirements of the Order. All rejects shall be held at the Supplier's risk and expense, including all transportation and handling costs, until returned to the Supplier or corrected by the Supplier.

11. The Purchaser's Property

11.1 All material including tools, furnished or specifically paid for by the Purchaser in connection with the Order shall be the property of the Purchaser, shall be subject to removal at any time without additional cost upon demand by the Purchaser, shall be used only for fulfilling orders from the Purchaser, shall be kept separate from other materials or tools and shall be clearly identified as the property of the Purchaser.
